this book is about all of the kinds of relationships people can have it is a very insightful book about how relationships emerge but it is also about how indispensable they are to our ongoing sense of being who we are in the worlds we inhabit we have relationships with various people but we also have relationships with our possessions with our pets and with our pens and car keys we have relationships with the foods we eat the places we go and the diversions we take we have relationships with the news we attend to the gossip we consume and the places we are familiar with we have relationships with our clothes our lotions and potions our grooming equipment our computers and our snow shovels taken together all of the relationships we have had have today and will have in the future attach us to our worlds in an admixture of pushes and pulls on our attention and our behavior metaphorically it might visually look much like an intricate circular spider web with us individually stuck at the core we use the singular relationship here because we want to explore what it is that all relationships have in common relationship relationships are sticky they are far easier to fall into than to escape from they are often demanding requiring our attention when we wanted to devote our attention elsewhere the drama of misplaced keys or a balky computer can take over our lives we have hopes for certain relationships we can be disappointed in how they turn out but most of the myriad relationships that affect our lives just sort of happen if they don't serve our purposes as we think we deserve we drop them a piece of clothing that just doesn't look right in the light can be dropped that's something you can't do with your own baby you have a relationship with your body if you're rich you can get a remodeling job if you're not you may be stuck with the body you've got some relationships bring us down other relationships lift us up in this book you will learn how to create the kinds of relationships you need to get to where you want to go the relationship you have with yourself is key this book reveals to you how if you get that right most of the other relationships you live in and by will fall into place

this book offers an interpretation of certain Hegelian concepts and their relevance to various themes in contemporary philosophy which will allow for a non-metaphysical understanding of his thought further strengthening his relevance to philosophy today by placing him in the midst of current debates

this accessible and jargon-free book features readings of over 20 key texts and authors in Western poetry and philosophy including Homer Plato Beowulf Dante Chaucer Shakespeare and Rousseau Simon Haines presents a thought-provoking and theoretically aware account of Western literature and philosophy arguing that the history of both can be seen as a struggle between two different conceptions of the self the Romantic or dualist vs the realist or extended

this collection of groundbreaking new essays shows how Aristotle's natural science illuminates fundamental topics in his philosophy
